Dear Ms. O'Leary:

Please be advised that Assistant District Attorney James J. Reagon met recently with the Human Rights Committee of the Westborough State Hospital. At that meeting, members of the Human Rights Committee were concerned that incidents of criminal wrongdoing might be slipping through the cracks of the criminal justice system.

I am writing to inform you that the District Attorney's Office is available for consultation, investigation and prosecution of these matters. Please feel free to contact myself or A.D.A. James Reagon at the above number.

Thank you for your cooperation.

Sincerely,

JOHN J. CONTE

Dear Ms. O'Leary:

Enclosed please find a copy of letter to your office from the Office of District Attorney Conte as was received by this writer.

Kindly be informed that the Human Rights Committee at Westborough State Hospital wishes, and is available, to assist the Chief Operating Officer in establishing a review panel to assist in recommendations for criminal prosecutions, where appropriate. Such system may be similar to that which our sister institution, Worcester State Hospital has in place.

Your written reply to me shall be most welcome.

Cordially,

Thelma J. Berman, Chair
Human Rights Committee
