Sir:

I am confirming our appointment for tomorrow at 11 AM at the Senator's Springfield, MA office.

I attach a rather terse (3 pages) proposal regarding the core legislative amendment to 42 U.S.C. Section 1983 which we seek.

I would respectfully submit that the attachment would be a great document to disburse to Senators and Congressmen alike to inform them precisely why the proposed amendment is so constitutionally critical. The attachment is a short and quick read. There is an assortment of additional issues, highlighted by the Davis case, which are likewise ripe for inclusion in a new federal statute. The Will v. Michigan cure though is the most crucial legislative piece given that it affects all civil rights claims of every type and kind.

I am very much looking forward to the meeting.

I again thank the Senator for considering the issues raised by the Davis case.
