Sir:

I would just like to ask this question if I could: **Is Senator Warren going to stand with the Davis family and help them obtain justice?** I would really appreciate a yes or a no answer. "Scheduling" has turned into a challenge into itself.

The family needs her help to end this sordid story of governmental corruption at the highest reaches of State Government. It is time to act; it is not, I must respectfully submit, the time to lay silent. There has been way too much silence for 25 years.
